Engine Size: 796 ccEngine maker: ChryslerRear wheel drive: YesBody type: HatchbackNo of doors: 2No of seats: 5Special features and/or improvements: The most prominent thing about the 2012 Lada Priora is the new exterior styling. The styling cues have been given a much more premium look. At the front of the car, the headlamps, bumper, and fog lamps are all new. Overall, the new styling is a lot cleaner and is a little more modern than the previous generation. The new styling will also give the 2012 Lada Priora a much more mature and elegant look. Hatchback: The hatchback is a car segment that has always been looked down upon by many in the automotive market. However, over the years, this segment has gained a lot of popularity thanks to its compact exterior size, superior interior space, and the price point of the cars that are sold in this segment. The 2012 Lada Priora is a slightly smaller hatchback than the 2011 Lada Priora. The new car offers a 1.9 inches increase in wheelbase compared to the previous generation. The length is 5.4 inches longer and the width is 1.5 inches wider. To put it into perspective, this makes the car 6.3 inches longer and 2 inches wider than the 2011 Lada Priora. The hatchback is being marketed as a compact alternative to the Ford Fiesta. This car is being sold in both Lada and Vesta trim levels.
